# Insight Into Refugee Health

March 11-19, 2018

A unique study trip to Israel and Jordan to learn about the refugee experience & health issues as seen through the eyes of refugees from multiple nations of origin.

# Insight Into Refugee Health

*REFUGEE: A person who owing to a well-founded fear of being persecuted for reasons of race, religion, nationality, membership of a particular social group or political opinion, is outside the country of his nationality and is unable or, owing to such fear, is unwilling to avail himself of the protection of that country; or who, not having a nationality and being outside the country of his former habitual residence as a result of such events, is unable or, owing to such fear, is unwilling to return to it.."*

United Nations Convention Relating to the Status of Refugees, 1951
